BYLAWS OF SMYRNA FLIGHT CLUB

ARTICLE 1 – “NAME”

Section 1: The name of the organization shall be **SMYRNA FLIGHT CLUB**., hereafter referred to as the “club”, organized as a Tennessee non-profit Corporation with federal tax ID 92-0970819.

ARTICLE 2 - “AUTHORITY, PURPOSE AND OBJECTIVES”

Section 1: Upon the request of certain aviation minded citizens living in and around Smyrna, Tennessee, these Bylaws for the club are hereby established.

Section 2: The purpose of the club is to encourage and promote an interest in aviation, to advance the knowledge of its members in aeronautical subjects, and to bring to more people the social benefits and pleasures of recreational flying in a club environment.

Section 3: The club is a non-profit, social organization, established and operated exclusively for the benefit of its members. Financial support of the club shall be by membership fees, dues and assessments. The club is structured as a non-equity flying club.

ARTICLE 3 - “BYLAWS AND OTHER REGULATIONS”

Section 1: These Bylaws, Addendum A “The Smyrna Flight Club Membership Application”. Addendum B “Club Membership, Dues and Hourly Rates” and Addendum C “The Smyrna Flight Club Operational Rules”, and any other regulations deemed necessary by the Board of Directors, constitute the regulations that govern the club in the best interest of all members.

Section 2: Changes to these Bylaws and other club documents shall be approved by majority vote of the Board of Directors. Changes to addenda of these Bylaws may be approved separately from these Bylaws, and by majority vote of the Board of Directors.

ARTICLE 4 - “MEMBERSHIP”

Section 1: Membership is a privilege and shall be open to those interested in aviation, and who are acceptable by majority vote of the Board of Directors.

Section 2: No person shall be refused membership based on any form of discrimination concerning sex, age, race, color, national origin, or religion, or any other basis prohibited by law.

Section 3: A member is an individual person with an interest in aviation. Membership does not extend to family members nor to members of other organizations to which the individual member belongs. Memberships are not transferrable to any other person, for any reason.

Section 4: All members share equally in the property rights, assets, interests, liabilities, and obligations of the club.

Section 5: Candidate members shall hold at least an FAA Student Pilot Certificate actively working with a qualified certified flight instructor approved by the club or an FAA Private Pilot Certificate; shall complete the application form in Addendum A; and shall return the form and copies of required documents to the Secretary, along with payment of the Membership Fee specified in Addendum B. The Board of Directors shall consider the application and shall determine suitability for membership. A prospective member who is not approved for membership shall receive a refund of the Membership Fee within 30 days of the Board's decision.

Section 6: An individual who wishes to be affiliated with the club to share in the social and educational aspects of the club, but not as a flying member, may be approved as a Club Associate, by majority vote of the Board of Directors, and shall then pay dues as detailed in Addendum B. Associates are not members and have no ownership, voting or flying privileges.

Section 7: The Board shall specify a maximum number of members for the club. The number of members is specified in Addendum B of these Bylaws. Changes to Addendum B may be approved separately from these Bylaws, and by majority vote of the Board of Directors.

Section 8: A member in good standing is one who has met all financial and other obligations to the club in the previous 30-days.

Section 9: All members in good standing shall have equal privileges and access to club aircraft.

Section 10: A member not in good standing shall not have access to club aircraft until such time that the member returns to good standing by fully meeting all outstanding obligations.

Section 11: The Board of Directors may, by majority vote, terminate the membership of a member who has remained not in good standing for the previous 30-days. In such cases, the member is not entitled to any reimbursement of fees or other payments and shall relinquish all ownership and membership rights to the club.

Section 12: A member may be suspended by majority vote of the Board of Directors for non-payment of accounts, violation of any of the Bylaws or operating rules, for disregard of FAA regulations, or unacceptable behavior or conduct. In such cases, a Grievance Committee (see Article 9: "Committees") shall submit a report to the Board of Directors for further consideration. The Board has the right to terminate a membership after due consideration.

Section 13: Membership is obtained by one of the following methods:

1. If the club has not reached its membership cap, memberships shall be purchased from the club, in the amount specified in Addendum B.
2. Once the membership cap is reached, new members shall only be accommodated once an existing member leaves the club and in accordance with Section 16 of this Article.

Section 14: Membership fees are non-refundable.

Section 15: When operating at the membership cap, the club may maintain a waiting list, that shall comprise an ordered list of vetted and pre-approved prospective members. To be placed on the waiting list, a prospective member shall follow the Club Membership Application process and shall be interviewed and approved by the Board of Directors.

Section 16: Members leaving the club:

1. When a member wishes to leave the club for reasons acceptable to the Board of Directors, that member shall relinquish, for no reimbursement, the membership to the club so releasing the member from any further obligations to the club. The leaving members shall provide a minimum of 30-day's notice to the Board of Directors, during which time the member shall continue to be responsible for all fees, dues, rates, and assessments. Exceptions may be considered at the discretion of the Board of Directors.

Section 17: Incapacitation of a member.

1. A member who becomes incapacitated and cannot, against their will, enjoy the benefits of membership may, by majority vote of the Board of Directors, be entitled to up to three (3) months of association with the club, at the rate consistent with Club Associate (see Section 6), as detailed in Addendum B. Beyond the period designated by the Board of Directors, the member shall consider the options in section 16, above.

Section 18: The club shall not disclose members' personal information to other parties, unless required by law, in the due course of business (e.g. obtaining insurance), or in interests of safety.

Section 19: No club member, Board Member or Officer shall receive any salary, compensation or payments for their services relating to any role, position, or service.

Section 20: Each member operating a club aircraft, or responsible for its operation, shall comply with the Operations Rules, specified in Addendum C "The Smyrna Flight Club Operational Rules".

Section 21: Members of the club are expected to:

- attend meetings
- be available for Board of Director positions as rotations dictate
- conduct themselves in a proper and fitting manner
- uphold the dignity of the club at all times
- be alert, mindful and considerate of the club and members' interests
- exercise due caution and safety in flying
- observe all federal, state, local, airport, and club flying rules and regulations
- not divulge club information and membership rosters to external parties, without permission from the President
- adhere to the bylaws and operating rules of the club

ARTICLE 5 - **"BOARD OF DIRECTORS"**

Section 1: The Board of Directors shall manage the business affairs of the club. The Board shall manage the club through the implementation of fees, operating rules, maintenance, safety, social, and other procedures as deemed necessary, by majority vote of the Board of Directors.

Section 2: The Board of Directors shall comprise a Chairman of the Board and two Board Members, elected from the club membership. The Chairman of the Board shall also serve as President of the club. One Board Member shall also serve as Secretary of the club, and the other Board Member shall serve as Treasurer of the club.

Section 3: Any Director may resign at any time by giving at least 10-days written notice to the Board of Directors, the notice to include the effective day and time of resignation. A vacancy on the Board of Directors that rises for any reason shall be filled temporarily, by agreement of the remaining Board Members, until such time that an election is held, that time being no longer than 60-days from the time of the temporary appointment.

ARTICLE 6 - **“OFFICERS”**

Section 1: The Officers of the club shall comprise a President, Secretary, and Treasurer, who shall be the Chairman of the Board and Board Members, respectively. Contingent on size of the club, the positions of Vice President, Safety Officer, Maintenance Officer, Membership Officer, and Social Officer may be established, by majority vote of the Board of Directors. Officers shall be elected from the club membership, and by majority vote of the club membership.

Section 2: The President: The President provides leadership to the Board of Directors and Officers and leads the club in the pursuit of the club’s goals and objectives. The President presides over membership meetings, appoints all committees, and performs all other duties normally required and pertaining to the office. The President shall also preside over Board of Director meetings. In addition, the President: Calls meetings to order and adjourns meetings; calls for motions and manages the voting of motions; represents the club’s interests at meetings and signs official documents on behalf of the club; delegates duties and responsibilities as necessary; appoints and disbands committees that conduct research and report back to the Board of Directors.

Section 3: The Vice-President: The Vice President shall preside in the absence of the President. The President may assign specific duties to the Vice-President – in particular, the Vice-President may be temporarily assigned another board position, as needs arise.

Section 4: The Secretary: The Secretary maintains all (non-financial) club records, including membership rosters, insurance papers, hangar lease agreements, and aircraft agreements. In consultation with the President, the Secretary shall publish and post calls for meetings, agendas, and shall keep and publish minutes of meetings, including meeting dates, times, attendance, discussions and decisions, motions and voting, any other business, and the time of adjournment Provides a Secretary’s Report at all membership meetings. The President shall be constantly apprised of all matters related to the club’s administrative status.

Section 5: The Treasurer: The Treasurer manages the club's finances and keeps accurate and up-to-date records and reports and shall present financial reports at all meetings of members. The Treasurer shall keep accurate financial records and transactions, receive all funds, issue monthly statements to all members, disburse club funds to meet all obligations after board approval, and notify the Board of Directors of any delinquent accounts by the fifteenth (15th) of each month. The Treasurer also prepares – or delegates – the completion of annual tax returns and statements, shall maintain a 3-year rolling budget, and shall arrange for financial audits, as necessary. The President shall be constantly apprised of all matters related to club finances.

Section 6: The Safety Officer: The Safety Officer shall be responsible for the club's safety culture, records, education, training, and conformance. The Safety Officer shall be designated as the club's Chief Pilot, and shall either directly or through delegation, check-out new members prior to them operating club aircraft, and shall provide recurrent check-outs to all members, as specified in the Club Operating Rules. The Safety Officer shall maintain records of members' qualifications and currency, and shall inform affected members and the President of lapses. The Safety Officer shall plan and conduct safety meetings and a mandatory annual safety stand down meeting. The Safety Officer shall encourage the open discussion of safety matters and shall create and maintain methods whereby members may confidentially report issues related to safety to the Safety Officer and Board of Directors. Provides a Safety Report at all membership meetings. The President shall be constantly apprised of all matters related to safety.

Section 7: The Maintenance Officer: The Maintenance Officer shall be responsible for the maintenance of club aircraft and equipment. The Maintenance Officer arranges for all maintenance tasks, scheduled and unscheduled, and keeps all maintenance records up-to-date. The Maintenance Officer creates and maintains methods of reporting maintenance issues, including methods for members to immediately ground aircraft at the sole discretion of that member. The Maintenance Officer shall create and enforce return-to-service standards. In consultation with the Social Officer, the Maintenance Office shall arrange aircraft and hangar clean-up and maintenance days. Provides a Maintenance Report at all membership meetings. The President shall be constantly apprised of all matters related to maintenance.

Section 8: The Membership Officer: The Membership Officer shall maintain membership at the required level by managing a waiting list and shall create and distribute a Club Newsletter. The Membership Officer shall create flyers to promote membership of the club.

Section 9: The Social Officer: The Social Officer shall maintain the club's social calendar and shall be responsible for forming and leading ad-hoc committees to organize and implement activities such as fly-outs, fly-ins, open days, etc. The Social Officer shall be responsible for the club website and social media sites. The Social Officer shall promote the club through community outreach.

Section 10: It shall be the duty of the Board of Directors and Officers to conduct activities of the club in an efficient and businesslike manner, and to safeguard the interest of the club at all times.

ARTICLE 7 - “ELECTIONS AND TERM OF OFFICE”

Section 1: The club membership shall elect members to the Board of Directors and Officers, at the Annual General Meeting.

Section 2: Board and Officer positions shall be for two-year terms.

Section 3: To ensure continuity, elections shall be staggered. The President, Treasurer, Maintenance Officer and Membership Officer shall be elected every even year, whereas the Vice President, Secretary, Safety Officer and Social Officer shall be elected every odd year.

Section 4: Nominations shall be made in writing to the Secretary at least 10-days prior to the Annual General Meeting. Any member may nominate another member, with that member’s permission, and any member may nominate themselves. Nominations require the name and signature of the nominee, plus the name of one other club member, as a reference.

Section 5: Elections for positions shall be conducted by the Secretary and shall be by secret ballot during the Annual General Meeting. Members may each cast one individual, non-transferrable vote.

Section 6: The quorum for the Annual General Meeting shall be the number of members present.

Section 7: Members must be present to vote. Proxy votes are not permitted. Absentee votes are not permitted.

Section 8: Hung votes are not permitted. If a vote is hung, the vote shall be repeated. If the vote is still hung, the President shall abstain from the next round of voting in order to force a majority result.

Section 9: In the event of Officer positions becoming available mid-term, the President shall call a Special General Meeting for the purpose of elections. Nominations shall be made in writing to the Secretary at least 10-days prior to the Special General Meeting.

Section 10: A majority written vote of members shall be required to remove a Board Member from office. Such action shall be presided over by a member chosen by the membership.

ARTICLE 8 - “QUORUMS, MEETINGS and RESOLUTIONS”

Section 1: Regular meetings of members (“membership meetings”) shall be held at least quarterly and shall be called by the President.

Section 2: The quorum for membership meetings shall be the number of members present.

Section 3: The President may call special membership meetings, as deemed necessary.

Section 4: Upon request to the Secretary of more than 50-percent (>50%) of the members, the President shall be required to call a special membership meeting.

Section 5: Board of Director meetings shall be held at least quarterly and shall be called by the Chairman.

Section 6: The quorum for Board of Director meetings shall comprise at least the President or Vice President, the Secretary, and the Treasurer. The Vice President may act for the President, if so delegated.

Section 7: The Chairman may call special Board of Director meetings, as deemed necessary.

Section 8: The Annual General Meeting of the club, for purposes of Board of Director reports and elections, shall be held in January of each year and shall be called by the President. Elected officers begin duties on February 1st of that year.

Section 9: The passage of any resolution at membership and Board of Directors meetings, except as otherwise provided in these Bylaws, shall require a majority vote of those members present.

Section 10: Any action that may be taken at a meeting, may also be taken without a meeting and without a physical vote, if a consent in writing (including email or other electronic correspondence), setting forth the actions so taken, is provided by a majority of the members eligible to vote.

Section 11: Club meetings, including Board of Director meetings, but excluding meetings or sections of meetings dealing with personnel issues and/or matter of grievance, shall be open to all club members.

Section 12: All meetings shall follow a formal agenda, distributed by the Secretary to members at least 5-days prior to the meeting itself.

Section 13: The Secretary or other person designated by the President, shall keep detailed minutes of meetings, including motions and voting, and shall publish the minutes to all club members within 5-days of each meeting.

Section 14: Meetings shall conform to the following Rules of Order:

1. Call to order
2. Roll call
3. Reading, corrections, and approval of minutes from the previous meeting
4. Officers' reports
5. Payment of bills
6. Committee reports, as applicable
7. Unfinished previous business
8. New business
9. Adjournment

ARTICLE 9 - “COMMITTEES”

Section 1: Standing Committees:

The President may form the following standing committees:

- 1.1: **Maintenance Committee:** Headed by the Maintenance Officer, this committee shall consider all aspects of maintenance and airworthiness of club aircraft.
- 1.2: **Safety Committee:** Headed by the Safety Officer, this committee shall consider all aspects of safety, safety training and member currency/proficiency. The Committee shall run quarterly Safety Meetings. Members are expected to attend at least 3 safety meetings per year, including the mandatory safety stand down meeting.
- 1.3: **Social Committee:** Headed by the Social Officer, this committee shall consider all aspects of club events and community outreach, including marketing, the club website and social media sites.
- 1.4: **Membership Committee:** Headed by the Membership Officer, this committee shall consider all aspects of club membership, including marketing for, and maintaining a waiting list.

Section 2: Special Committees:

The President may form special committees, as needed. Examples are:

- 2.1: **Aircraft Selection and Procurement Committee:** An ad-hoc committee formed by the President to consider aircraft selection and once agreed by a majority of the members, aircraft procurement.
- 2.2: **Grievance Committee:** An ad-hoc committee formed by the President to consider matters of conflict in the club. Any club member can refer an issue to the President for consideration.
The Grievance Committee shall make recommendations to the Board of Directors. The final resolution of conflicts and grievances shall be by a majority vote of the Board of Directors.
- 2.3: **A Strategic Planning Committee:** The Board of Directors shall engage members in the future of the club through this committee whose output shall be an approved Strategic Plan.

ARTICLE 10 - “FINANCE, DUES, ASSESSMENTS”

Section 1: Monthly dues and hourly rates shall be determined by the Treasurer and presented at each Annual General Meeting, or any other time as determined by the Board of Directors. The monthly dues shall cover all fixed costs involved in operating the club, and the hourly rate shall cover operational costs of the applicable club aircraft to which the member is eligible to use.

Section 2: Each member shall be billed on the 20th of each month for the upcoming month’s dues and the previous month’s excess hourly charges. Balances are due upon receipt and shall be considered delinquent after the tenth (10th) of the month. Members shall be deemed to be not in good standing if a balance remains unpaid by the end of the month, and flying privileges shall be withdrawn until that time that the balance has been paid.

Section 3: Monthly dues shall be assessed on each member, regardless of whether that member has flown, or not, during that month.

Section 4: If the Board of Directors determine that a member is personally responsible for damage through negligence, that member shall be assessed for 100% of any insurance deductible for damages so incurred. That member shall also be responsible to pay for increases in insurance premiums and all other costs incurred from their negligence.

Section 5: Club Associates, as defined in Article 4, section 6, shall be charged as specified in Addendum B “Club Memberships, Dues and Hourly Rates”.

Section 6: The Board of Directors, may, by majority vote, levy a special assessment on all members of the club to pay for necessary repairs, acquisitions, or capital improvements to club assets. The amount of assessment shall be equal for all members, the amount being the required total divided by the actual number of club members at that time.

ARTICLE 11 - “SCHEDULING, RESERVATIONS, USE OF CLUB EQUIPMENT”

Section 1: Information about using club aircraft and equipment is provided in Addendum C of these Bylaws - “The Smyrna Flight Club Operational Rules”.

Section 2: Only members in good standing as defined in Article 4 of these Bylaws shall reserve club aircraft.

Section 3: Members shall use the on-line scheduling tool provided by the club. All reservations should be made in advance as much as possible. The scheduling system shall be used to reserve, check-out and check-in club aircraft, as detailed in Addendum C.

Section 4: Members are expected to treat club equipment as their own.

Section 5: The club does not provide flight instruction. The club shall maintain a list of approved flight instructors. A member shall choose an instructor from the list (only) for: check-outs, flight reviews and other individual training needs. The member shall directly compensate the instructor.

Section 6: A member shall not be entered into the scheduling system until satisfactorily checked-out by an approved instructor and approved by the Safety Officer.

Section 7: As a non-equity flying club, the club shall lease aircraft for its members’ use. The terms and conditions of the lease, including payments, insurance, and maintenance requirements and responsibilities shall be detailed in a separate Lease Agreement, between the club and aircraft owner, for each aircraft so leased.

ARTICLE 12 - “LIABILITY AND INSURANCE”

Section 1: Adequate insurance shall be carried at all times. The club shall carry liability and hull insurance for each club aircraft. The Treasurer shall research policy options and rates each year.

Final selection shall be by majority vote of the Board of Directors.

Club insurance is carried to:

A: Protect the aircraft owners in case of aircraft loss or damage

B. Provide liability insurance to cover the club in the case of third-party claims.

Liability cover may extend to members, according to the insurance policy. The club encourages all members to review their personal situations and to consider purchasing additional insurance, as appropriate.

Club members are required to read, understand, and sign the *Equipment Use, Release, Assumption of Risk and Waiver of Liability AGREEMENT*, in Addendum A.

Section 2: The club may carry Directors and Officers (D&O) insurance on behalf of Directors and Officers, for any liability asserted against and incurred by a Director or Officers arising out of that Directors or Officers position.

ARTICLE 13 - “AMENDMENTS”

Section 1: A majority vote of the board of directors may amend these Bylaws. Requests for amendment shall be made as an agenda item before a membership meeting, in the form of a marked-up version of the membership package.

ARTICLE 14 “DISSOLUTION”

Section 1: Upon dissolution of the club, the board of directors shall be designated as trustees and shall liquidate the assets of the club and pay all outstanding obligations in proportion to the final available capital. Any surplus shall be distributed according to the laws of the State of Tennessee, and in accordance with the tax status of the club.

ADDENDUM A: “ FLIGHT CLUB MEMBERSHIP APPLICATION”

Instructions for completing and submitting this application form:

1. Smyrna Flight Club (the club) reserves the right to not approve any application, for any reason.
2. All members are expected to read and understand the club bylaws, operational rules and any other document as deemed necessary by the Board of Directors.
3. A check in the amount of the Membership Fee shall accompany this application form. The check shall be payable to “Smyrna Flight Club”.
4. Copies of the following documents must accompany this form:
 - a. Pilot certificate(s)
 - b. Medical certificate or Basic Med documents
 - c. Driver’s license
 - d. Logbook entries for the most recent flight review, check ride or solo endorsements

EQUIPMENT USE, RELEASE, ASSUMPTION OF RISK AND WAIVER OF LIABILITY AGREEMENT
(FOR CLUB MEMBER AT LEAST EIGHTEEN YEARS OF AGE)

This EQUIPMENT USE, RELEASE, ASSUMPTION OF RISK and WAIVER OF LIABILITY AGREEMENT ("AGREEMENT") is executed this _____ day of _____ 20____, by and between:

_____, an individual who resides at:

House and Street:

Town or City:

In the County of:

State: _____

(hereinafter "THE MEMBER"),

and Smyrna Flight Club, a Tennessee nonprofit corporation with its mailing address at:
877 Stirrup Drive, Nashville, TN 37221

(hereinafter "THE CLUB").

DEFINITIONS:

THE CLUB: A Tennessee nonprofit corporation that owns or leases EQUIPMENT for use by its members, only.

EQUIPMENT: EQUIPMENT owned or leased by THE CLUB, that is available for use by members, only. EQUIPMENT shall include, but not be limited to: Aircraft, tugs, tools, and other apparatus owned or leased by the club.

THE MEMBER: An individual member of THE CLUB, who has been accepted as a member by the Board of Directors, who has completed an application form, has paid all membership and other club fees, and who is obligated for monthly club dues and EQUIPMENT usage fees, as determined in the bylaws and operating rules.

USE: The use and operation of club EQUIPMENT for members' personal enjoyment and pleasure.

RELEASED PARTIES: THE CLUB, the Board of Directors, Officers and Employees of THE CLUB, their spouses, legal representatives, heirs, dependents and assigns, business associates and partners, and its related/affiliated organizations including, but not limited to organizations owning and leasing EQUIPMENT to THE CLUB, and SFCAA, LLC., a Tennessee Limited Liability Corp, and the owners of SFCAA, LLC.

THE AGREEMENT:

1. USAGE.

WHEREAS, THE CLUB is the owner/lessee of EQUIPMENT and WHEREAS, THE MEMBER is a member of THE CLUB, and WHEREAS THE MEMBER has elected to use club EQUIPMENT for personal enjoyment and pleasure, and agrees to accept the terms of this AGREEMENT.

NOW THEREFORE, THE MEMBER agrees as follows:

- a. THE CLUB permits use of the EQUIPMENT on condition that THE MEMBER shall be responsible for appropriate and necessary training with the EQUIPMENT and shall be responsible for ensuring possession of applicable airman certificates, licenses, and ratings for use of the EQUIPMENT.
- b. THE CLUB permits use of the EQUIPMENT on condition that THE MEMBER shall use and operate the EQUIPMENT in accordance with all applicable sections of Title 14 of The Code of Federal Regulations 14 (also known as the Federal Aviation Regulations), and in accordance with the privileges and limitations of applicable airman certificates and ratings.
- c. THE CLUB permits use of the EQUIPMENT on condition that THE MEMBER is solely responsible for all pre-use condition inspections, and for all operations during use.
 - i. Explicitly, THE MEMBER understands, agrees and accepts that he/she is fully and solely responsible for establishing that the EQUIPMENT is in a condition fit for use and for determining that the EQUIPMENT will remain in a safe and fit condition for and during use.
 - ii. Explicitly, THE MEMBER understands, agrees, and accepts that THE CLUB assumes no responsibility, at any time, for the condition of the EQUIPMENT and that such responsibility lies completely and solely with THE MEMBER.
- d. THE CLUB makes no warranties and specifically disclaims all warranties, expressed or implied.

2. RELEASE, HOLD HARMLESS AND COVENANT NOT TO SUE.

In consideration of using club EQUIPMENT, THE MEMBER, for himself/herself, as well as their spouse, legal representatives, dependents, successors, heirs and assigns, hereby agrees as follows:

- a. To forever release and discharge RELEASED PARTIES from any and all liabilities, claims, demands, or causes of action that may occur during or arising out my use and operation of the EQUIPMENT however caused, even if caused by the negligence (whether active or passive) of the RELEASED PARTIES, to the fullest extent allowed by law.
- b. ADDENDUM B: “CLUB MEMBERSHIP, DUES AND HOURLY RATES”

Section 1: Club membership, monthly dues, and hourly charges

Club membership, monthly dues and hourly rates are determined by reference to the Club budget. The calculated numbers may be modified at the discretion of, and by majority vote, of the Board of Directors. Current numbers are specified in Section 2 of this Addendum.

Section 2: Financial numbers as of 6/1/2025:

Club Aircraft:	N7026D Piper PA22 Tri-Pacer
Club Capacity:	No more than 8 members (unless approved by a majority of members)
Club Membership:	
First month's dues:	\$625.00 (Includes joining fee plus 2 hours dry tach time)
Monthly Dues:	\$275.00 (Includes 2 hours dry tach time)
Addition Excess Hours	\$53.00 (per hour dry tach time)
	(\$14.00 to club, \$39.00 owner's reserve)
Associate Monthly Dues:	\$60.00

Two (2) hours of dry tach time is included with monthly dues. Unused hours can be rolled over (banked) for up to six (6) months unless the airplane is out of service for more than 15 days during a given month in which case the limit will be extended for an additional month. In case of extenuating circumstances, the limit may be extended upon approval of the Board of Directors.

Fuel fees: Fuel cost is the responsibility of each Club Member each flight. It is expected that the plane will be left with at least 30 gallons of fuel for the next member. The tanks hold 36 gallons of fuel. There are several airports within a 30-minute flight than can be used to top off.
See Addendum C for more information about Member operational responsibilities regarding fuel.

Section 3: Sales Tax:

Smyrna Flight Club has filed to become a 501(C)(7) non-profit social club which should make it a non-table entity with the State of Tennessee.

Section 4: Payments:

1. Fees shall be paid before the 1st of each month in order for the Club to make timely payments.
2. Various means of payment will be explained in a separate document.

ADDENDUM C: “SMYRNA FLIGHT CLUB OPERATIONAL RULES”

Section 1: GENERAL OPERATIONAL RULES

1. Aircraft provided by the club are for the exclusive use of its members.
2. Members are required to conduct themselves in a manner that is a credit to the club.
3. A member may use club aircraft for personal transportation, for individual flight training, or for pleasure.
4. Club aircraft shall be used for primary (initial) flight training ONLY if the Club Member is working with a Certified Flight Instructor approved by the club.
5. Club aircraft shall not be used for compensation or hire, commercial operations nor business activities.
6. The club’s objective is to maintain a workable ratio of members per aircraft, as determined by the Board of Directors.
7. Members may pilot only those club aircraft for which they have received a check out from a Certified Flight Instructor approved by the club.
8. Only Certified Flight Instructors approved by the club and named on the list of approved instructors are authorized to give check outs in club aircraft.
9. Certified Flight Instructors approved by the club are independent contractors and are not provided by the club.
10. Club aircraft may be flown solo only by individuals who satisfy the applicable requirements and regulations.
11. It is each member’s responsibility to comply with all regulations and requirements when flying club aircraft.
12. Members shall conduct a comprehensive preflight inspection, prior to every flight. The preflight shall follow the PAVE methodology. The aircraft preflight shall follow the procedures detailed in the Pilot’s Operating Handbook and the Check Lists in the Airplane.
13. Members shall use checklists from the Pilot’s Operating Handbook for all flight conditions, including but not limited to take-off, cruise, before landing and post-landing procedures.
14. Members shall follow the recommended leaning procedure during taxi, take-off, cruise flight and landing.
15. Members are reminded that insurance coverage is not valid if club aircraft are flown without meeting regulatory requirements and beyond limitations established by the insurance company.
16. Members should obtain and become familiar with an Aircraft Flight Manual/Pilot Operating

Handbook for every club aircraft flown.

17. Members are expected to become knowledgeable about the various instruments in the airplane such as: GNX375, SI275, PAR200B, AV30's and other that might be installed in the future. Manual are to be kept in the airplane. There are many good online videos and tutorials available online.
18. Only club aircraft and equipment may be stored in the hangar. Members may not store personal property in the hangar at any time without prior permission from the board of directors.
19. At no time shall any vehicle be parked so that it prohibits aircraft movement into or out of the hangar.
20. Upon completion of a flight, the pilot shall perform a thorough post-flight inspection of the aircraft and shall:
 - a. Record the flight details on the paper log in the airplane.
 - b. Close out the reservation by "Checking In" on Flight Circle. Use the notes section to record the quantity of fuel added to the airplane.
 - c. Document any squawks noted before, during, or after the flight
 - d. Remove all personal items and clean the cabin
 - e. Remove all bugs from the windscreen, windows and leading edges as soon as possible following a flight.
 - f. Use on the provided materials for cleaning. In particular use only PLEDGE or CLEAR VIEW and the smaller 12"x12" micro-fiber cloth on the windows, the large 16"x16" micro-fiber cloths on the airframe. There is a small spray bottle with water and a few drops of Dawn that may also be used on the airframe.**
21. Any unreported damage or discrepancies discovered by a member will be assumed to have been caused by the last user. Report such instances to the Maintenance Officer.
22. Aircraft fueling: Members are responsible for fueling the aircraft at the start of their flight, and for fuel management. At the end of their flight, for reasons of weight and balance, the aircraft shall be returned to the hangar with at least 30 gallons total fuel as a courtesy to the next member.
23. Our hanger lease stipulates that any fuel purchases made at KMQY must be bought from Hollingshead Aviation. In most cases it is cheaper to stop at one of the outlying airports to top off. Normal fuel is less than 6 gallons to return to the hanger. Thus the 30 gallon minimum.
24. For outside temperatures of less than 5° C when aircraft is parked on ramp, members shall ensure the engine block heater or other such approved heating devices is plugged-in and that a blanket covers the cowlings and air intakes, and that the cabin heater is set to an appropriate temperature.

Section 2: RESERVATION OF CLUB AIRCRAFT

1. Reservations shall be made using **Flight Circle**.
2. Only members in good standing as defined in Article 4 of the Bylaws shall reserve club aircraft.
3. No member shall fly a club aircraft without first reserving the aircraft in the provided scheduling system.
4. Members shall reserve only the time for which they will be using the aircraft.
5. Reservations remain valid for 30-minutes after the time of the reservation. After the 30-minute period, the reservation expires.
6. Members must dispatch (check-out) the aircraft or change the reservation time, within 30-minutes of the reserved time.
7. If the aircraft cannot be returned at the time stated in the schedule, members are expected to make every attempt to contact any member so disadvantaged, or a Board Member.
8. If a member is unable to keep a reservation, or arrives back early from a flight, the schedule should be updated to allow the aircraft to be used by other members.
9. No more than 4 reservations may be held at one time, per member.
10. Overnight flights may be scheduled.
11. Weekend and/or extended-time flights may be scheduled. For flights of 1, 2 or 3 (consecutive) days, aircraft shall be booked using the club scheduling tool. For flight of 4 or more consecutive days, the member shall first contact a Board Member for approval, prior to booking the aircraft in the club scheduling tool.
12. A member who utilizes club aircraft to an extent that impedes another member's ability to utilize the aircraft, may have flight time limits imposed and may have scheduling limitations applied, at the discretion of the Board of Directors.

Section 3: REPORTING TIME AND EXPENSES

1. All club aircraft shall be checked out prior to flight and checked in upon completion of flight, using **Flight Circle**.
2. All flight time will be reported from the Tach meter in each aircraft, rounded-up to the next highest 1/10th of an hour. Discrepancies shall be noted when the aircraft is checked out or checked in and brought to the attention of the Treasurer.
3. Members shall also complete a paper "Tach Sheet", which should be in the aircraft. The Tach

Sheet shall contain the member's name, the date, and the starting and finishing Tach times as well as the oil level, oil added, fuel out, fuel in, and fuel purchased.

4. Tach meter time shall be used as the basis for billing, and Tach time also shall be used for maintenance.
5. Each Member shall purchase fuel as required for the flight at the expense of the Member.
6. All maintenance services and activities must be pre-approved by the Maintenance Officer or, if not available, a Board Member, prior to having the service performed. Any maintenance performed outside of these guidelines could become the financial responsibility of the member who authorized the work. If you have any doubts, get the work done - be safe, but also be sensible.
7. All maintenance squawks should be reported at the time of discovery to the Maintenance Officer or a Board Member.
8. If you deem the aircraft to be unairworthy, then immediately ground it. Contact the Maintenance Officer or a Board Member and contact all other club members who may be affected.
9. Check and follow the procedures for shutting down and securing the aircraft at the completion of all flights. PLEASE LEAVE THE NAVIGATION LIGHT SWITCH ON. This is a signal to maintenance personnel and others that the Master Switch is on. **Ensure that the master switches are off to avoid draining the battery.**

Section 4: STRANDED AWAY FROM BASE

1. If a club aircraft becomes stranded due to weather, please contact a Board Member or Officer to discuss the situation and determine a resolution.

Section 5: PILOT REQUIREMENTS

1. Only appropriately qualified Club Members and approved Certified Flight Instructors are authorized to act as Pilot in Command (PIC) of club aircraft.
2. To act as PIC, a member must be current as per FAA regulations, and successfully complete a check out with an approved Certified Flight Instructor in the aircraft they intend to fly.
3. During a check out in a club aircraft, a member pilot shall demonstrate aeronautical skills to a level appropriate to the certificate held, to the satisfaction of the approved Certified Flight Instructor.
